

# ROADWAY RESURFACING UPDATE

## General Roadway Construction Information

- Paving work generally occurs between 7:00 am – 5:00 pm Mon. thru Fri.
- Avoid parking on the street during roadway construction
- Access may be limited. Expect delays and seek alternate routes when possible.
- Use caution and reduce speeds when driving through the work zone and be alert for raised manhole structures
- The resurfacing project can take several weeks to complete due to utility work, contractor's scheduling and weather.
- Please be patient while we conduct these roadway improvements.
- Contact the Public Works Department at 860-243-1487 with any questions or concerns.
